Dear Sir

I'm writing this authorization letter as the parent of my children named Shubham Roy who is currently a minor by age. With this authorization letter, I seek the permission of international travel for my above-mentioned minor child. The purpose of this traveling is to visit his maternal grandfather, who is currently very sick in Australia. We want our kid to travel to Australia for the sake of seeing his maternal grandfather in his last time. Our kid is in perfect health without any such issues for the foreign travels.

We, therefore, request you to kindly allow him for this minor international travel. I have enclosed the further details of this traveling schedule in the letter. Kindly take a look at all the details and grant us the authorization letter to travel.

Thanks & Regards

Rahul Roy
