Dear Sir

This is the formal and official bank authorization letter in the favor of Mr. Johnny Fisher. I hereby authorize him as my proxy to undertake all kinds of withdrawal transactions on my behalf. I'm also enclosing the period of this authorization letter along with the highest limits of withdrawal amounts. This authorization is taking place on the ground of my poor health due to which I'm unable to visit the bank myself.

Kindly acknowledge this bank authorization from the immediate effect. If you further have any kind of inquiry regarding the same, then kindly contact me.

Thanks & Regards

Larry Page
