Dear Sir/Ma'am

To Whom It May Concern

I Sanya Divine hereby announce that I have appointed my husband Mr. Steve Rogers as my legal heir to act on the power of attorney for my all properties. He would be taking all kinds of legal and other decisions concerning my all real estate for the time being this authorization letter remains in existence. I'm taking this decision as I'm unable to take care of my properties alone.

I'm further enclosing the details of my all real estate in this authorization letter. Kindly spare a minute to check the validity period of this power of attorney authorization letter at the end of the letter. Feel free to contact me if anyone faces any kind of concern regarding this power of authorization letter.
